##### ■ Monthly performance comment

In the jewelry business, sales of both fashion jewelry and bridal jewelry were strong, and sales at existing stores exceeded the previous year's level. The Ginza Main Store, which has undergone a full refurbishment, has been successful in attracting customers, and has performed better than planned. The e-commerce business also continued to perform well, surpassing both the plan and the previous year.

◎An existing store is defined as the store that has been operating since the same month in the previous year.
