■ Monthly performance comment

In the jewelry business, existing store sales secured the previous year's level due to the recovery in demand for fashion jewelry and the expansion of EC sales. By customer segment, sales from female customers significantly exceeded the previous year's figure.

◆NOTES

©An existing store is defined as the store that has been operating since the same month in the previous year.

©Year-on-year sales "Total of all stores" and "Total of existing stores" and year-on-year changes in the number of customers and average spend per customer include "EC sales".
